MEMORANDUM FOR: Legislative Counsel

SUBJECT: Proceedings Before the Special Sub-
committee on Intelligence, House
Armed Services Committee

Toward the close of the House proceedings on 11 May 1973, Mr. William Hogan of the staff asked a number of questions. One addressed to me requested a paper on the legal aspects of the provision of material to Mr. Hunt and the delivery of the psychiatric assessments to the White House. Attached is a memorandum I prepared for the Director, dated 9 May 1973, which deals with these points and which is unclassified. Would you please discuss it with Mr. Hogan and see if it meets his needs?
